

| Spring 1 | |
|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Writing | <p>We will be starting the half term exploring biographies. We are going to link it to our reading text and then the children will have the opportunity to write a biography about one of our key people from topic.</p> <p>After, we will focus on newspaper reports, again linking it to the events that happen in our reading text.</p> |
| Maths | We will begin by exploring the formal methods of column multiplication and division, understanding both short and long division. We will then continue our learning in fractions and finish with decimals and percentage. |
| Reading | We will be reading Cogheart by Peter Bunzl. This text links to our learning in History about the Victorians. |
| Art | We are going to be learning how to use charcoal to create effective images. Lowry will be our key person. |
| Geography | We are going to be exploring all things about mountains and volcanoes. We will look at where they can be found, how they are formed and the main similarities and differences between them. |
| Computing | |
| Science | |
| RE | |
| Latin | |
| PE | In indoor PE, we will be focusing on dance. It will be linked to the Greatest Showman. In outdoor PE, we will be learning the skills in how to play a successful game of hockey. |
| Jigsaw | This half term's focus is Dreams and Goals. We will be thinking about what we want to achieve in the future and how we can make that happen. |
| Music | In Music, we are exploring The Blues. This will involve understanding the history, the rhythms and children will have a go at singing and playing songs. |
