Whiteknights Primary School

Growing Greatness

Headteacher: Mr F Walker

Our Nursery Mission

We will nurture each individual and help them to grow in greatness.

We aim to provide outstanding Early Years educational opportunities that develop happy, confident pupils, who have the skills to be successful lifelong learners, and are able to fulfil their ambitions.

We do this by:

- Maintaining a focus on attaining high standards at the heart of all that we do.
- Providing pupils with quality experiences and opportunities.
- Offering flexible Nursery times for families' modern needs.
- Providing outstanding leadership, including governance.

From joining Nursery all the way through to Year 6 we help pupils develop the belief that they can achieve the highest academic standards. This growth mind set is woven into our curriculum through assemblies and positive reflection within lessons.

Whiteknights Nursery Vision Statement

Here at Whiteknights Nursery, we will aim to be an outstanding nursery by:

- Being a safe, happy place where everyone is known and valued, and where needs are acknowledged, accepted and met.
- Encouraging each child to be independent and self-disciplined, to develop a sense of responsibility for themselves and respect for others and the environment.
- Providing a stimulating range of activities that support the seven areas of learning:
 - Personal, Social and Emotional Development
 - Physical Development
 - Literacy
 - Communication and Language
 - Mathematics
 - Understanding the World
 - Expressive Arts and Design
- Having outstanding teaching to lead the pupils to reach expected or exceeding in the Early Years Curriculum.
- Developing a 'can do' attitude for life which follows the schools growth mindset.
- Developing a child's self-esteem by valuing and incorporate all aspects of their lives, building a strong partnership with parents and the community.
