

## Parent/Carer Acceptable Use Agreement

The school seeks to ensure that *students/pupils* have good access to ICT to enhance their learning and, in return, expects *students/pupils* to agree to be responsible users. A copy of the *Pupil Acceptable Use Agreement* is attached to this permission form, so that parents/carers will be aware of the school expectations of the young people in their care.

Parents are requested to sign the permission form below to show their support of the school in this important aspect of the school's work.

Parent/Carer's Name:	
Student/Pupil's Name:	

As the parent/carers of the above *student/pupil*, I understand that my son/daughter will have access to the internet and to ICT systems at school.

I know that my son/daughter has signed an Acceptable Use Agreement and has received, or will receive, online safety education to help them understand the importance of safe use of ICT – both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and ICT systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that my son's/daughter's activity on the ICT systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Policy.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's online safety.

I have read the *Pupil Acceptable Use Agreement* attached and agree that my child will endeavour to abide by the rules.

I confirm that my child does not have an account or have access to posting on any social media sites such as: Facebook, Twitter, Instagram, Google+, Pinterest, Tumblr, Reddit, Snapchat, Secret, YouTube, Skype, Second Life, LinkedIn, WhatsApp, Vine, WeChat, Kik or any other site which involves blogs, chat rooms and online gaming where the age limit is above that of my child.
