

Years 4, 5 and 6 Pupil Acceptable Use Agreement

For my own personal safety:

- I understand that the school will monitor my use of the ICT systems, e-mail and other digital communications.
- I will not tell anyone my username or password nor will I try to use any other person's username and password.
- I will be aware of 'stranger danger', when I am communicating online.
- I will not give out any personal information (e.g. home address and telephone number) about myself or anyone else when online.
- I will not arrange to meet people offline that I have communicated with online.
- I will immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it online.

Respecting everyone's rights to use technology as a resource:

- I understand that the school ICT systems are primarily intended for educational use and that I will not use the systems for personal or recreational use unless I have permission to do so.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not use the school ICT systems for online gaming, online gambling, internet shopping, file sharing, or video broadcasting (e.g. YouTube), unless I have permission of a member of staff to do so.

Acting as I expect others to act toward me:

- I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission.
- I will be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will not take or distribute images of anyone without their permission.

Keeping secure and safe when using technology in school:

- I will only use approved e-mail or message accounts on the school system.
- I will not use my personal handheld/external devices (e.g. mobile phones, USB devices, etc.) in school.
- I will not try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others, nor will I try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials.
- I will immediately report any damage or faults involving equipment or software.
- I will not open any attachments to e-mails, unless given permission to do so and I know and trust the person/organisation that sent the e-mail.
- I will ask for permission before sending an e-mail to an external person/organisation
- I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings.
- I will immediately tell a staff member if I receive an offensive e-mail or message.

Using the internet for research or recreation:

- When I am using the internet to find information, I should take care to check that the information that I access is accurate.
- I should ensure that I have permission to use the original work of others in my own work.
- Where work is protected by copyright, I will not try to download copies (including music and videos).

Taking responsibility for my actions, both in and out of school:

- I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (e.g. online bullying, inappropriate use of images and/or personal information).
- I understand that if I break these rules I will be subject to disciplinary action as outlined in the school's Behaviour Policy. This may also include loss of access to the school network/internet.

I have read and understood the above and agree to follow the rules outlined.

I confirm that I do not have an account or have access to posting on any social media sites such as: Facebook, Twitter, Instagram, Pinterest, Google+, Tumblr, Reddit, Snapchat, YouTube, Skype, LinkedIn, WhatsApp, WeChat or any other site which involves blogs, chat rooms and online gaming where the age limit is above mine.
