Headteacher: Mr F Walker

Dear Parents,

Arriving at our February half-term always confirms just how quickly the school year flies by!

In the second half of the term we can look forward to our Y3 and 4 Easter Production and of course, warmer spring weather. This should assist greatly with attendance figures which are crucial this term.

Parents Meetings will be going ahead on 28th and 30th March. Further details regarding booking a suitable session will be advised in the week commencing 13th March.

We hope all of our community have a wonderful and safe half term break and a productive second half of term!

Thank you

Mr Walker, Headteacher

Reminders and notes to parents

Bollard

Please can we remind you that NO parent cars are allowed to access the area past the bollard. We are unable to have the bollard in operation at all times, however we do ask for your co-operation not to pass the bollard with your car at any time when pupils are in school. Our pupils arrive and leave the school at many different times throughout the day and evening for Breakfast Club, After-school club, Brownies and discos and it can be very difficult to see children clearly on entering or leaving that area. Please help us to keep your children safe.

Class photographs and Y6 Group photo

Tempest Photography, our preferred service provider will be coming in on Tuesday 21st February for Class photographs and our Y6 Group photo.

Please ensure that your child is dressed in full winter school uniform and is well groomed that day.
