

Year Group –1

Term - Autumn 2

**English**— Read, Write, Inc. will be the focus of a literacy hour every morning; developing phonetic ability, reading and writing. We will also be ensuring writing is developed further through our Talk for writing lessons. This will include learning about spelling, punctuation and grammar by writing about Elves and Stone Soup.

**Maths**—in Year 1, we will be using a scheme called White rose maths to teach the children. We will be learning about subtraction to 10, 2D/ 3D-shapes and pattern. We will also begin place value to 20.

**Computing** – the children will learn how to log on to Purple Mash and understand how to use it. They will also be learning how to stay safe online through Online Safety lessons.

**Geography**- The children will be learning about the local environment by identifying the difference between human and physical features.

Topic:  
**Healthy Me Harvest!**

**Art**— not taught this term.

**History**— not taught this term.

**Music** - The children will create simple rhythms in time to a steady beat and progress their ability to play a variety of tunes on Boomwhackers from memory.

**Science**— the children will be learning about the body. We be able to learn and label the basic parts of the body. We will also learn and investigate the 5 senses of the body.

**DT**— the children will be learning all about healthy eating. As well this, they will be learning how to write a recipe and create their very own vegetable soup.

**Indoor PE**— developing agility, balance and co-ordination.

**Outdoor PE**— Ball skills— throwing, receiving and travelling with balls.

**RE - Christianity**—We are learning to re-tell the Christian Christmas story where we will discuss what gifts were given to Jesus and how that relates to gifts we receive now.

**Connect -**

Curriculum Enrichment

RE— St Barnabas Church workshop at Whiteknights.

Topic Projects

Our topic is healthy me harvest. Please support your child by creating a healthy eating snack at home and then create a poster, PowerPoint or a picture of the snack so the children can share it with the class. It would be great if the children were able to understand why their snack is healthy.

**Project due date:** Friday 13th December 2024
