

Competition: Create a British Science Week poster

 **BRITISH
SCIENCE
WEEK
2025**

Children aged 3-11 can get creative and enter the British Science Week annual, UK-wide poster competition! To enter, they simply need to create a poster which fits in with the theme of 'Change and adapt'.

Schools then select the five best creations and submit them for a chance of winning an array of prizes. The activities found in this pack marked with a paintbrush symbol could all be used as a source of inspiration to get children started!

Kit list

Paper (A4 or A3)

Creative materials such as:

pens, pencils, scissors, glue, watercolours, paint, crayons, pipe cleaners, felt, thread, wool, foil, clay, string, beads, stamps, foam, pompoms

Instructions

Encourage children to think about change and adaptation – what it means to them and how it relates to science they've learnt about – to come up with ideas to include in their poster. Here are some points and questions to get you going:

- Get children to think about ways that they might have changed or adapted to new experiences and places as they've grown.
- What about change and adaptation in the world, and beyond? How do plants and animals adapt to a changing environment? Do the stars and planets in space change?
- Technology changes all the time, how is it changing our lives? Is it always for the better?

Make your poster

Once they've done their thinking, it's time for children to get creative! Posters must be A4 or A3 in size and you'll need to be able to take a photograph of each one so it can be sent to us online for judging. Children can use pop-up pictures, pull out tabs or use materials such as pencils, paints, crayons and paper to create their posters.

Send us your poster

Posters will be judged on creativity, how well they fit the theme, how well they have been made or drawn, and how engaging they are. Once a child's poster is complete, take a photo of it and complete the online form to submit it as an entry.

Next steps

Celebrate! For more details, along with the full set of poster competition rules and tips, check out our website: britishscienceweek.org/plan-your-activities/poster-competition.

NOTE:

POSTERS TO BE SUBMITTED TO MRS NEVILLE BY FRIDAY 28TH MARCH.

DON'T FORGET TO INCLUDE YOUR NAME, CLASS AND AGE ON YOUR ENTRY
