ECO System

ecosystem

Our animals and nature are getting killed lets change this...

BUT HOW DO WE DO THIS

We can do this by:

- Stop using petrol as petrol is made of coal and the smoke from the machine stops the animal breathing.
- Stop hunting.
- be eco friendly.
- don't eat so much meat.
- Help the animal life & cycle

Biotic

Stop blood-sporting what's the point if your vegetarian.

Eco-System

Do You Know

Birds that are rare like parrots will fly away if we hurt eco-system and they will become extinct.

Stop building factories near the ocean you will harm the own water you drink.

Abiotic

DO NOT
POLLUTE
