Maths: recap 1,2 and 3, continue an ABAB pattern, count to 4, represent 4 with sound, recognise and further explore 4

Key person:

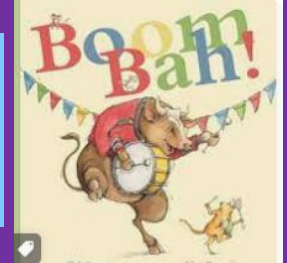

Vocabulary

composer
musician
instrument
voice
beat
perform

Key reading

Boom Bah!
By Phil
Cummings

Key facts

A composer is a person who creates and writes music.
A musician is anyone who plays a musical instrument or sings.

Music can make us feel happy, sad or angry.
Some instruments can be played with our hands and others with our mouths.
